

Lansingburgh High School  
Business Club  
Presents  
**For Your Information (FYI)**

Basic computer information taught by students for the  
“over 21 crowd”

Tuesday, March 25, 2008  
Lansingburgh High School  
Room 152  
6:30-8:00 pm

Participants will be shown how to set up email, how to forward and attach documents, given tips about spam, and basic computer maintenance information

The students will increase your comfort level with the computer...no experience necessary!
