

PUBLIC USE OF SCHOOL FACILITIES

While the district's school buildings and grounds are maintained primarily for the purpose of educating students within the district, the Board of Education recognizes that the buildings and grounds are a valuable community resource and believes that this resource should be available to the community for specific uses that will not interfere with educational activities. This policy is intended to identify the uses that community groups may make of those facilities.

The Board grants the use of school facilities as a temporary license that can be revoked by the Board at any time.

Use of district facilities will only be permitted where the organization provides the district **evidence at time of application**, of adequate insurance coverage (\$1,000,000 minimum) to save the district harmless from all liability, property damage, personal injuries and/or medical expenses. The district will exercise complete and unreviewable discretion regarding what constitutes adequate insurance coverage for each proposed use.
