

**LANSINGBURGH CENTRAL SCHOOL DISTRICT**

**REQUESTS FOR TRANSPORTATION  
DUE ON OR BEFORE APRIL 1, 2011**

All requests for transportation to Private, Parochial or Charter schools must be submitted to the Board of Education by those residents of the district who live more than 1 1/2 miles, and not more than 15 miles\* from the school which their children will be attending during the 2011-2012 school year. Separate request forms must be completed for each child.

State law requires that requests for transportation must be made by April 1 of each year for both new and returning students. Late submission of applications could jeopardize your child's right to transportation. If child's placement or acceptance at a particular school has not been finalized, return a completed request form in anticipation of attendance. New residents must submit a written request immediately after establishing residence in the district.

APPLICATION FORMS are available at the school your child will be attending and at District schools and offices. Additional information may be obtained from the Business Office, 576 Fifth Avenue, Troy, NY 12182. Phone 233-6850.

NOTE: \*In some instances, students living over 15 miles from the school they attend may receive transportation. Please call for further information.
