STUDENT DRESS CODE

Since an educational program provides for an individual's safety and well being, students should be encouraged to be neatly groomed, personally clean, and appropriately dressed. The Board of Education requires students to attend school in appropriate dress that meets health and safety standards and does not interfere with the learning process. The Board also requires students to wear appropriate protective gear in certain classes (e.g. home economics, shop, P.E.). In addition, the Board prohibits attire bearing an expression or insignia which is obscene or libelous, or which advocates racial or religious prejudice.

The Superintendent of Schools and other designated administrative personnel shall have the authority to require a student to change his/her attire should it be deemed inappropriate according to the above guidelines.
