

Tips for being Successful with Remote Learning

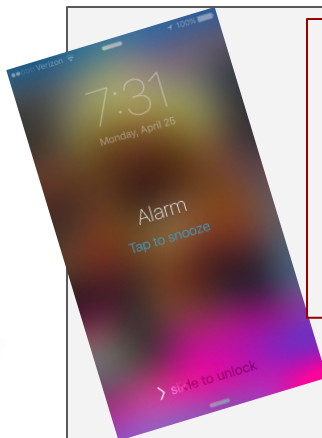

Get out of bed and have a quiet workplace!

- Turn the TV OFF!
- Put your cell phone on **DO Not Disturb** during class
- Wear headphones

Have a set schedule during the week:

- Get up at the same time everyday!
- Eat before class starts

WE MISS YOU!

- Try turning on your camera with a fun background once in a while and smile at your teacher!

ASK for help! Often, don't be afraid to ask many times! We want to help you!

- Attend google meets after school for extra help
- When you email your teacher, put the "topic" in the subject line and type your message in the email body

Extra help

Hi Mr./Mrs. _____

Could we please schedule a time to meet one-on-one for extra help? I am confused about what we learned in class today.

Thank you!
