**Dr. Antonio W. Abitabile, Ed. D.**

Superintendent

(518) 233-6850

July 8, 2021

Lansingburgh School Community:

We received notification yesterday of some changes to our current COVID-19 health and safety protocols for students and staff who are in our buildings during the summer. Below are some of the key changes:

- 1) Anyone (student or staff) who has been fully vaccinated is no longer required to wear a mask.
- 2) Students who are **NOT** fully vaccinated are now **STRONGLY RECOMMENDED** to wear a mask while indoors, but can remove their masks when eating or outdoors.
- 3) Unvaccinated staff are required to wear a mask at all times while indoors.
- 4) When possible, 6 foot social distancing in classrooms will be maintained.
- 5) Unvaccinated children must continue to wear a mask while on a bus.
- 6) No daily health attestation will be used during the summer.
- 7) To maintain everyone's privacy, the District will not be asking for proof of vaccination and are relying on everyone to use their best judgement.

We are still waiting for guidance for the opening of school in September and will keep our school community updated as that becomes available.

Ever Upwards,

A handwritten signature in black ink, appearing to read 'A. W. Abitabile'.

Dr. Antonio W. Abitabile, Ed. D.  
LCSD Superintendent
