ADDENDUM #1

Date: June 22, 2023
To: All Vendors
From: Linda Klime
Purchasing Agent
Subject: Addendum #1 – RFP 22-002
KMS Auditorium Sound System Upgrade

Pursuant to the terms of the KMS Auditorium Sound System Upgrade specifications issued by the Lansingburgh Central School District for the KMS Auditorium Sound System Upgrade RFP with a due date of March 15, 2018, this Addendum #1 will clarify or modify certain identified aspects of the Specifications. This Addendum is made a part of the contract and is enforceable under the same terms and conditions as the original Specifications.

Whenever a page number, section or appendix is referred to in the following modifications/clarification, the page, section or appendix refers to the After School Care Service Specifications as issued for the Lansingburgh Central School District RFP and as described above. In locations where paragraph numbers are identified, they are identified utilizing the paragraph symbol (¶) and the paragraph number refers to the full paragraphs on the designated page (not carry-over paragraphs from the previous page).

The items included in this Addendum are a result of questions submitted to the District prior to the Request for Content Clarification due date of June 22, 2023.

Section II: Schedule

RFP Due Date – extended to July 11, 2023, 2PM

Section VII, B

-Move current laptop connection wiring to stage left of the stage apron

Q1. The description of materials to be furnished per Section VII. B. is vague and could vary immensely in cost. Since cost is the primary bid award criteria, I would think that making the absolute cheapest (lowest quality) option is not in the District's best interest. That said, could you please provide specific makes, models, and quantities of equipment to be referenced as the design intent or benchmark?

Listed below are acceptable makes, models, and quantities to be used as a benchmark. Other makes and models of comparable quality will be acceptable.
