DEFINITIONS

Contact

A contact is any face-to-face encounter between a prospective student-athlete (PSA) or the PSA's parents, relatives or legal guardians and an institutional staff member or athletics representative during which any dialogue occurs in excess of an exchange of a greeting. Any such face-to-face encounter that is prearranged (e.g., staff member positions himself/herself in a location where contact is possible) or that takes place on the grounds of the PSA's educational institution or at the site of organized competition or practice involving the PSA or the PSA's high school, preparatory school, two-year college or all-star team shall be considered a contact, regardless of whether any conversation occurs. However, an institutional staff member or athletics representative who is approached by a PSA or the PSA's parents, relatives or legal guardian(s) at any location shall not use a contact, provided the encounter was not prearranged and the staff member or athletics representative does not engage in any dialogue in excess of a greeting and takes appropriate steps to immediately terminate the encounter.

Evaluation

Evaluation is any off-campus activity designed to assess the academic qualifications or athletics ability of a PSA, including any visit to a PSA's educational institution (during which no contact occurs) or the observation of a PSA participating in any practice or competition at any site.

Recruiting-Person Days

A recruiting-person day is defined as one coach engaged in an off-campus recruiting activity of a PSA, including a PSA who has signed a National Letter of Intent (or the institution's written offer of admission and/or financial aid), on one day (12:01 a.m. to midnight); two coaches engaged in recruiting activities on the same day shall use two recruiting-person days.

Recruited Prospective Student-Athlete (PSA)

Actions by staff members or athletics representatives that cause a PSA to become a recruited PSA at that institution are:

- a. Providing the PSA with an official visit;
- b. Having an arranged, in-person, off-campus encounter with the PSA or the PSA's parent(s), relatives or legal guardian(s);
- c. Initiating or arranging a telephone contact with the PSA, the PSA's relatives or legal guardian(s) on more than one occasion for the purpose of recruitment; and
- d. Issuing a National Letter of Intent or the institution's written offer of athletically related financial aid to the PSA (excluding summer term awards prior to initial full-time enrollment).

For purposes of Bylaw 13.12, the phrase "prospective student-athlete" shall include any individual who has started classes for the seventh grade.

Telephone Calls

All electronically transmitted human voice exchange (including videoconferencing and videophones) shall be considered telephone calls.

NCAA DIVISION I MEN'S BASKETBALL RECRUITING GUIDE

Effective August 1, 2014

Off-Campus Recruiters

An institutional staff member is not permitted to recruit off campus until he or she has been certified on an annual basis as to knowledge of applicable recruiting rules.

Telephone Calls During Conduct of Athletics Contest

Telephone calls to a PSA (or the PSA's relatives or legal guardians) may not be made during the conduct of any of the institution's intercollegiate athletics contests in that sport until the competition has concluded and the team has been dismissed by the coach.

Telephone Calls - Institutional Staff Members -- General Rule

All telephone calls to a PSA (or the PSA's relatives, legal guardians or coaches) must be made by the head coach or one or more of the assistant coaches who count toward the numerical limitations in men's basketball.

Visits to a Prospective Student-Athlete's Educational Institution

Institutional staff members may visit a PSA's educational institution on not more than one occasion during a particular week within a recruiting or evaluation period, regardless of the number of PSAs enrolled in the institution or whether any PSA is contacted on that occasion. During the July evaluation period, there are no limitations on the number of times an institutional staff member may visit a PSA's educational institution.

Tournament Exception

Visiting a PSA's educational institution on consecutive days during a particular week to observe a tournament or tier of a tournament shall count as a single visit.

Counting Contacts and Evaluations

Evaluations that occur during the academic year count against the permissible number of recruiting opportunities. Outside of the academic year, evaluations do not count against the annual number of recruiting opportunities. Contacts that occur with a PSA count against the permissible number of total recruiting opportunities regardless of the time period (e.g., academic year or outside the academic year). All contacts and evaluations are subject to recruiting calendar restrictions.

Prospective Student-Athlete's Educational Institution

Any staff member desiring to contact a PSA at the PSA's educational institution first shall obtain permission for such contact from that institution's executive officer (or the executive officer's authorized representative). Contact may not be made during the time of the day when classes are in session.

Practice or Competition Site

Recruiting contact may not be made with a PSA prior to any athletics competition in which the PSA is a participant during the day or days of competition, even if the PSA is on an official or unofficial visit. Contact includes the passing of notes to a PSA by a third party on behalf of an institutional staff member. Contact and communication restrictions are as follows:

- a. No in-person contact with a PSA or the PSA's relatives or legal guardians during the day of the PSA's competition (e.g., before and after the competition).
- b. Coaching staff members may not send electronic correspondence to a PSA while he is on call for competition at the competition site (e.g., arena, stadium).
- c. Coaching staff members may send general correspondence to a PSA while the PSA is participating in an athletics event, provided the general correspondence is sent directly to a PSA (e.g., the front desk of the hotel, the PSA's personal fax machine) and there is no additional party (e.g., camp employee, coach) involved in disseminating the correspondence.
- d. All communication with a PSA's coach (other than a high school coach who is not attending the certified event) or any individual associated with the PSA as a result of the PSA's participation in basketball, directly or indirectly, is prohibited during the time period in which the PSA is participating in a certified event.

Athletics Events Outside Contact Period

In-person contact with a PSA shall not be made on or off the member institution's campus at the site of practice or competition or for any athletics event in which the PSA participates outside the permissible contact periods. When a PSA participates in an athletics contest or event (including a noninstitutional, private camp or clinic) on a member institution's campus outside of a contact period, it is not permissible for an authorized institutional staff member to have contact with the PSA until the calendar day following his or her release from the competition. Further, if a PSA is visiting an institution's campus immediately before or after participating in an athletics contest or event on the institution's campus, the PSA must depart the locale of the institution the calendar day before or after the contest or event.

All evaluations during the academic year evaluation period shall be limited to regularly scheduled high school, preparatory school and two-year college contests/tournaments, practices and regular scholastic activities involving PSAs enrolled only at the institution where the regular scholastic activities occur.
