Christina Williams
Clerk to the Board of Education

The workshop began at 5:40 and concluded at 7:15 p.m. Mr. Morris arrived at 5:42 p.m. Topics of discussion included the following:

- Superintendent Transition – Mrs. DeDominick extended her thanks to the Board for allowing her to retire a month earlier than planned. The timing worked out well with Dr. Abitable’s ability to begin a month sooner. Mrs. DeDominick indicated she and Dr. Abitable have already begun meeting and corresponding and will continue to meet each week to allow for a smooth transition.

Dates were discussed for Dr. Abitable to visit the schools to meet faculty, staff, students and parents.

- Board Goals – The Board will establish 3-4 goals that will align with the District’s Mission Statement.
- The LTA sick bank days will now be distributed by the LTA rather than the District.
- RPI Step Program – the goal of the program is to have students ‘college ready’. It is being promoted to students in grade 6 or about who are economically challenged or a minority. There is no cost to the District. CDTA bus passes will be provided to the students to go to and from the RPI campus.
- COSER through Washington County BOCES to provide student teachers to the district. These are teachers who have a degree in something other than teaching and change careers through Sage Colleges. We are signed up for 2 slots.
