March 31, 2020

Dear Lansingburgh Students and Caregivers,

As you are likely aware, on March 27, Governor Cuomo issued an Executive Order ([CLICK HERE](#)) closing schools until at least April 15. During this time, schools are required to provide continuity of instruction, meals for students and child care resources for essential workers. This closure includes days that are originally part of Spring Recess.

If this closure does not get extended, our first day back to school is scheduled to be Wednesday, April 15. We will continue to monitor all guidance provided to us by the governor and county government, keeping you informed of any changes.

Please visit our [WEBSITE](#) frequently for up-to-date information.

By now, all secondary students who requested a Chromebook should have received one. The remaining shipment of Chromebooks for elementary families is arriving soon and we will contact you individually with further directions on distribution.

As a school community, we recognize that these are unprecedented times and can cause additional stress on your personal and professional responsibilities. Please know that we are doing our best and that we appreciate your patience and understanding throughout this ordeal.

Ever Upward,

Dr. Antonio W. Abitabile, Ed.D.  
Superintendent of Schools
