Dear Lansingburgh Students and Caregivers,

I hope all of you are acclimating well to our new remote learning initiative and getting comfortable using your Chromebooks at home. As a reminder, we have a staff member stationed at the high school every Tuesday if you still have not received your Chromebook or if something is wrong with the one you have and need to exchange it. Additionally, if you are in need of technical support, you can visit our website at <https://www.lansingburgh.org/Page/2159>.

Our expectation is that students are not only checking their various Google Classrooms and Gmail daily, but also completing the work that has been assigned and participating in their Google Meets throughout the day. As a reminder, the 3rd quarter marking period ends on April 24th. Please make every effort to get all of your assignments submitted to your teachers.

Ever Upward,

A handwritten signature in black ink, appearing to read 'A. Abitabile', written in a cursive style.
