Lansingburgh School Community,

Now that the school reopening plan has been submitted to NYSED and is posted on our website (Click here: tinyurl.com/y4lt8anh), please take a moment to complete our survey informing the district if your children will be returning to school in September.

The district has also created a FAQ document for families that you may find useful (Click here: <https://tinyurl.com/BurghCOVESFAQ>).

Additionally, a Board of Education workshop has been scheduled for August 17th at 5:30 to review the reopening plan in greater detail (Click here to participate: <https://tinyurl.com/BurghCOVES-YTube>).

At the conclusion of the presentation, district representatives we will be answering any additional questions that you may have. Kindly submit any questions in advance to COVIDInfo@lansingburgh.org by Friday, August 14th.

I know that each of your families have given this decision a great deal of consideration and ask that each of you complete this survey via FamilyID by *Friday, August 21st*.

With respect,
