Good morning Lansingburgh families,

If you haven't done so already, please click the link below to complete the questionnaire about whether your children will be returning to school or learning remotely in September.

<https://www.familyid.com/programs/lansingburgh-re-opening-parent-survey>

To date, we have about a third of our student responses completed. Without your input, it makes it difficult to plan for nearly every aspect of your child's educational experience at Lansingburgh.

Also, as a reminder, we have four reopening presentations and Q&A sessions scheduled for next week as follows:

Monday, August 17th 5:30pm-BOE Workshop on Reopening-<https://youtu.be/I5Jry3F5PjI>

Tuesday, August 18th 6-7:30pm-RPES Reopening Q&A-Link posted soon

Wednesday, August 19th 5-6pm-KMS Reopening Q&A-Link posted soon

Wednesday, August 19th 6-7pm-LHS Reopening Q&A-Link posted soon

Thursday, August 20th 6-7:30pm-TES Reopening Q&A-Link posted soon

Each session will be broadcast live and recorded. They will start with a presentation answering the most frequently asked questions, followed by time for questions that can be submitted throughout.

I realize that this is an incredibly important and difficult decision for every family and hope that you can take advantage of these opportunities to ensure each of you are well informed before making it.

Ever upwards,

Dr. Antonio Abitabile, Ed. D.
