

## Lansingburgh Central School District

District Office

55 New Turnpike Rd • Troy, NY 12182

Dr. Antonio W. Abitabile, Ed. D.

Superintendent

(518) 233-6850

November 12, 2020

Lansingburgh School Community,

Earlier this evening, the district was notified and subsequently confirmed that a staff member at Turnpike Elementary School tested positive for COVID-19. The staff member was last on campus this morning. At this time, we have identified and notified all staff members and families of students that had close contact with the positive case within our building. All contacts to the positive case have been advised to quarantine until further notice, out of an abundance of caution.

**IF YOU WERE NOT CONTACTED, THERE IS NO FURTHER ACTION NEEDED ON YOUR PART.**

In the event that any further developments occur or if additional information regarding this matter becomes available, the school community will be advised immediately. The health, safety, and well-being of our staff and students remains our top priority. We continue to follow state and local guidance to ensure we are doing everything we can to protect your health. Please remember to also follow all health and safety guidelines when outside of school so together we can protect one another and keep our school open.

Thank you for your continued support and understanding during this difficult time.

Respectfully,

A handwritten signature in black ink, appearing to read 'Al W. Abitabile'.

Dr. Antonio W. Abitabile, Ed. D.

LCSD Superintendent
