Lansingburgh School Community,

The district was notified late last night that an additional two staff members who work in the District Office have tested positive for COVID-19. The district office will now be closed for this week due to the extent of the quarantine and will reopen on Monday, November, 30th. Tonight's Board of Education meeting will still take place, albeit remotely via Google Meets at 6pm. The link has been posted on your website.

Thank you for your continuing efforts to keep our school community safe.

Respectfully,

A handwritten signature in black ink, appearing to read 'A. Abitabile'.
