### **Instructional Overview**

#### **SAMPLE STUDENT SCHEDULE:**

- Students will receive a full schedule of courses as required by the New York State Education Department for their grade level
- Students are expected to follow their daily schedule
- Classes will be held online 5 days a week, we will operate on an AC day/BD day schedule.
- Instruction will be delivered using Google Classroom as our primary learning management system
- Teachers will deliver synchronous learning opportunities through Google Meet
- Students will have opportunities to interact with teachers and other students in a number of ways, including but not limited to the following:
  - Emails using the district issued e-mail addresses
  - Feedback will be provided through Google Classroom assignments
  - Google Meet for groups and meetings with individual students
- Students will have a Google Meet with 2 content area classes a day.
- Students will have a live stream video to watch for specials and PE each day.
- Students will have 1-2 periods of INDEPENDENT WORK TIME.
  - This time will allow students to work on assignments/projects, etc. for any of their classes.
  - Students can also email teachers, receive extra support, or work in small groups during this time.
- Any student with an IEP or need for AIS services will have that built into their schedule. These services will be provided through a Google meet.
- \*\*Please note - if/when we return to hybrid learning, those students who choose to continue learning remotely may have schedules adjusted due to teacher availability. This may include adjustments in elective class availability.

### **Grading/Assessments**

- Students will receive an overall grade that is a percentage out of 100, aligned with teacher-specific grading policies

### Communication

- Teachers will be available by e-mail, and/or by requesting a Google Meet appointment, to ensure ongoing communication between teachers and families
- Teachers will have assigned office hours until 2:35pm each day

### Attendance

- Attendance in every Google Meet during your class period is required
- Attendance will be taken during each Google Meet, and submitted through our students management system, SchoolTool
- Attendance will be available for families to view through the Parent Portal
- The District's attendance policies will remain in effect, whether remote or in-person
