**Superintendent**  
**Report**

TRANSPORTATION: The fines for Birnie Bus Company total approximately \$250,000. It cost the district \$115,000 to contract with other bus companies to cover the routes.

TEACHER OF TOMORROW: We were notified that the District has been approved for funding from the New York State Education Department's Teachers of Tomorrow Program. School districts across New York State have experienced ongoing teacher shortages in recent years, particularly in high-need subject areas such as Mathematics, Science and English for Speakers of Other Languages (ESOL). NYSED created Teachers of Tomorrow to assist districts in their efforts to not only recruit new teachers but also retain them as employees. As a Teachers of Tomorrow school district, Lansingburgh will now provide extra incentives to not only teach for the district but to remain employed there as well.

# DRAFT

For qualifying teaching jobs in high-need subject areas, Lansingburgh is now offering tuition reimbursement and an annual recruitment stipend of \$3,400 to new teachers during each of their first four years of employment in the district. Additionally, Lansingburgh is also able to offer these incentives to its current teachers in high-need subject areas if they started teaching for the district in the 2021-2022 School Year. Funding for Lansingburgh to offer these incentives is available through the 2025-2026 School Year.

Thanks extended to Assistant Superintendent Rebecca McGrouty for all of her efforts put forth in this program.

TEACHER TURNOVER: Christina Williams and Ben Seymour have been working on a spreadsheet with a starting point of July 1, 2018. I will be using this to generate a report that will be shared with the Board.

BOARD RETREAT: After some discussion, it was determined that the Superintendent would send out a doodle poll to determine everyone’s availability and topics they would like to see discussed.
