21st Century Program

The 21st Century Program started on 9/19 and already has 85 students enrolled! We are working on expanding our club offerings this year to provide additional educational support for students. Program on Fridays will consist of fun activities for students to participate in versus the traditional clubs, with a goal of increasing student attendance on Fridays and providing a safe space for students to socialize and spend time with their friends. We welcomed some of our community partners at Open House to provide information to families. Throughout the school year they will be providing various enrichment opportunities and field trips for program.
